What else the actual order shows

- It runs to three A4 pages, with "Page x of y" at the foot. Rows 2 to 7 of the table each carry the same six minor heads as row 1 (Tax, Interest, Penalty, Fees, Others, Total); here they show the total only.
- The same form is used to sanction a refund in full, in part, or to reject it. The officer's detailed order is attached as a file.
